## In Your Hands, You Hold an Opportunity.

At Grace College Lancer athletic camps, we know how important your child is—it's why we've assembled a top-notch staff that can provide specialized training at our first-class facilities. You're invited to a place where your kids are valued like you value them, a place where staff build genuine relationships with campers, and a place where we teach not only the fundamental skills of the sport, but also develop character and sportsmanship. Welcome to Grace.

## Building Champions of Character

Grace College Lancer athletic camps exist for the purpose of helping kids grow in their knowledge and love of Jesus Christ, developing their competence in athletics, and teaching life lessons through athletics to build champions of character.

## Program Values

**Christian Leadership** - Our camps provide dedicated Christian leadership through our committed staff. We want campers to not only hear about character and hard work, but to see it modeled in our coaches.

**Fun** - We know that if sports aren't fun, they're not worth playing. We will make sure campers enjoy themselves at camp.

**Fundamentals** - We want campers to know the basics of playing their sport. For campers to be successful later on, we must start with the fundamentals now.

**Hard Work** - Skill must be matched with hard work in order for players to be successful. At camp, each camper will learn and see the value of hard work.

**Personal Character** - We desire to build champions of character through the camp experience.

**Spiritual Growth** - At camp, we make sure that every camper is exposed to Christ. We want each camper to leave camp realizing there is more to life than sports.

**Teamwork** - While drills and instruction will make your camper a better individual player, camp emphasizes learning to work together and sacrificing personal goals for the betterment of the team.
